3. The next page (“Profile”) is asking for the credit card holder information

Note: we do not require any further information for athletes or relay teams as this info is in the Registration Form pdfs.

Only the fields marked with a * are required for payment.

4. The third page confirms school name, and our standard waiver for running events.

5. The fourth page, options, confirms the number of teams/individuals you are paying for. After confirming the number of entries, you are prompted to review before completing payment.

IMPORTANT:

The “Options” page automatically includes one mandatory entry at \$11.00 (Individuals) or \$36.00 (Relays) so the “Additional Relays/Additional Individuals” field should be one fewer than the total teams/athletes you are entering.
