Dear Principal and/or Physical Education Instructor:

We hope your students will join us at the 44th Annual Running Room Indoor Games presented by New Balance. The Running Room Indoor Games is a community track and field event that allows children from grades 3 -12 the opportunity to experience the thrill of competition -- against themselves and each other. Track events for girls and boys include 200m and 800m individual events as well as 8 x 200m relay events. Mixed relay events are offered for small elementary and junior high schools (further details are supplied in this document and on the web site). Long jump competitions are open for elementary students. A teachers' relay race and select invitational events are also available for your participation.

Entries are processed on a first-come, first-served basis, so enter early! Please ensure you sign up for the email list online at www.indoorgames.ca so we can inform you of any changes to the schedule. Receipt of your entries will be confirmed by email within 24 hours. If you have not received confirmation within 48 hours, please contact the **Registration Director** at indoorgames@runningroom.com.

We hope to see you at the 44th Annual Running Room Indoor Games!
